

## The Aging Population

### Ageism - Video 1

Older woman:  
How much did you say?

Server:  
Three - forty - five. [\$3.45]

Older woman:  
Really? Just a minute...  
Oh...

White sweater:  
Oh my God. Really? Could she at least pull out a bill?

Red sweater:  
I know. I know. My mother does this all the time.

White sweater:  
What is that about?

Blue sweater:  
Does it occur to anyone that some people need to go home?

Older woman:  
Oh.

Server:  
That's a penny. We don't take those anymore.

Older woman:  
Oh.

Server:  
It's okay, honey. Take your time.

White sweater:  
Oh my God - look at her - she couldn't be cuter!

Red sweater:

And all by herself! I bet it's her first time.  
I remember doing that.

White sweater:

That's what it's all about.

Server:

One more. One more. There you go. Perfect. Thank you so much! Enjoy your hot chocolate.

Older woman:

There's that.

Server:

Yeah.
