

# COUNTRY SPECIFIC RESOURCES

## USA Department of Education

<http://ope.ed.gov/accreditation/>

Database of accredited post-secondary institutions and programs. The accreditation database on this site is administered by the U.S. Department of Education's Office of Post-secondary Education (OPE). According to the disclaimer on the website, the database does not constitute an endorsement by the U.S. Department of Education of any of the educational institutions and OPE recommends that this database be used as one source of information.

*Access to data for one accredited institution or download accreditation data for all institutions*

## USA Council for Higher Education Accreditation

<http://www.chea.org/degremills/frmStates.htm>

This database contains contact information for over 7,000 degree-granting and non-degree granting institutions and over 17,000 programs accredited by United States accrediting organizations that have been recognized either by the Council of Higher Education Accreditation (CHEA) or by the United States Department of Education (USDE), or both.

*Select a state to search for accredited institutions and programs*

## China - Ministry of Education
