Doctor's Office - Video 1

J:

I know she must have arrived because otherwise Barbara wouldn't have pulled her file.

M:

Maybe she left.

And who is that?

I don't show any other patients today.

J:

Maybe her boyfriend. Should I ask?

Cam:

Excuse me. Is the doctor running behind? I was scheduled for 4:15.

J:

No, sir. Someone else is scheduled at 4:15, and she has not come back yet.

Cam:

No - she's not - I'm - are you waiting for Kimberly Breton?

M:

Well I don't know how you would know that. Are you the boyfriend?

Cam:

Look. The name on the file should have been changed months ago. I'm Kim - I mean, my name was Kim. The doctor should have known -

M:

Look. I don't know what you're up to here, but I am not about to - I'm getting Dr. Forman.
